Remote Location

Visiting Flinders Island and the Furneaux Group is a true taste of unique, without leaving Australia. These Islands are exciting places to explore, they offer mild and wild opportunities for adventure and fun, you'll love the Furneaux Group. There are so many nooks and crannies to delight in, a diversity of wildlife to experience, wrecks to dive, birds to follow... just being here will take your breath away and make your holiday special. Note however, that as a remote location, with a small population, the Furneaux group may not have everything you want, when you want it. This guide is to help you plan your stay so that you will know when to buy fuel, groceries, fresh bread, etc. and when you will need to be more self sufficient, do very little except enjoy the peace and stunning scenery.

Whether you want to visit one of our magnificent beaches, look after yourself at one of our lovely cottages, or completely relax and have someone else do all the cooking, knowing the opening times for businesses on the Island will serve you well.

Please Note:

If you are arriving on a **Sunday**, only the **Lady Barron Store**, the **Furneaux Tavern** in Lady Barron and the **Interstate Hotel** in Whitemark are open. The Lady Barron Store does have most things, and the IGA in Whitemark will be open as usual on Monday. If you are on an afternoon flight ...with a little bit of organising you can phone a couple of days ahead and have groceries delivered to your accommodation or left waiting for you at the airport, how about that!

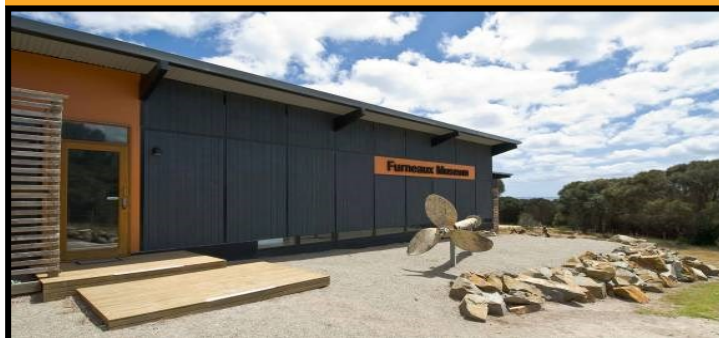

There is no fuel, food, or drinks available to the north of Whitemark so please ensure you have enough provisions if you are visiting or staying up there.
