Dear Mayor Cox (and Councillors),

I am writing, on behalf of the Lions Club of Flinders Island, to seek permission to place a name (only) sign next to the nine (9) roses dedicated to passed members.

We believe that this would allow friends and family to recognise roses dedicated in their name.

In requesting this, it is not our members intention to identify the club on the signs.

In anticipation of your favourable consideration,

Yours sincerely

Jim Hughes
Club President
