## CERTIFICATION

---

"I certify that with respect to all advice, information or recommendation provided to Council with this agenda:

1. The advice, information or recommendation is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation, and;
2. Where any advice is given directly to Council by a person who does not have the required qualifications or experience that person has obtained and taken into account in that person's general advice the advice from an appropriately qualified or experienced person."

*Note:*

*S65(1) of the Local Government Act 1993 requires the General Manager to ensure that any advice, information or recommendation given to the Council (or a Council Committee) is given by a person who has the qualifications or experience necessary to give such advice, information or recommendation. S65(2) forbids Council from deciding any matter which requires the advice of a qualified person without considering that advice.*

Dated this 21<sup>st</sup> day of May 2020.

### 1 Acknowledgment of Country

---

The Mayor will begin by acknowledging the Traditional Owners of the land on which we meet today, the palawa people of the trawulwai Nation. She will recognise their continuing connection to the land, waters and culture of this island, and pay respects to Elders past, present and emerging.

---

### 2 Confirmation of Minutes

---

#### **RECOMMENDATION**

**That the Minutes from the Ordinary Council Meeting held on 28 April 2020 be confirmed.**

---

### 3 Public Question Time

---

*In accordance with Section 31 (1) of the Local Government (Meeting Procedures) Regulations 2015 and the Flinders Council Policy, the following procedures be adhered to at public question time.*

*It is the policy of the Flinders Council to allow a 'Question Time' at Ordinary Council Meetings, during which members of the public may ask questions of the Council relating to Flinders Council matters.*

*The basis on which questions may be asked is*

- 1. All questions will be addressed through the Chair (being the Mayor in normal circumstances) who will answer them as she/he sees fit. Under no circumstances will members of the gallery be permitted to address or question either elected members or officers of the Council. The Chair may delegate answers to the appropriate Councillor or staff member if appropriate.*
- 2. Persons addressing the Chair must pay the respect due to that office. Failure to do so may mean their address is terminated without notice.*

3. *Where the answer cannot be provided immediately, it will be provided in writing within 14 days and tabled at the following Ordinary Council Meeting.*
4. *All questioners are encouraged to register their intent to question with the General Manager before the meeting. Preference will be given to those who have so registered.*
5. *Question time shall not extend longer than 30 minutes and may be divided into two 15 minute sessions.*
6. *The actual timing of the session(s) is to be immediately after the opening of the meeting and advertised with the notice of meeting.*

## **4 Responses to Public Questions**

---

### **28 April 2020 Meeting**

#### **Question 1 - Aaron De La Torre, Tasmanian Coordinator, Australian Services Union**

I refer to a letter which was sent by Premier Peter Gutwein and Local Government Minister Mark Shelton to all Tasmanian Council Mayors and General Managers, dated 16 April 2020. In this letter the Premier states:

*“It is our expectation that councils should endeavour to retain as many employees as possible during this challenging period, and that, to do thi., councils will need to adopt different budget and financial positioning strategies than have traditionally been required. Where appropriate, councils should also redirect staff to support their COVID-19 response measures and community relief and recovery initiatives”.*

Can the General Manager provide assurances to Flinders Council’s employees that no employees will have their employment terminated as a result of COVID-19 and that Council will prioritise the maintenance of employment of each of their employees in any budgetary decisions moving forward?

#### **General Manager’s Response:**

The COVID-19 situation is imposing considerable challenges to Council from an employment and budget perspective. Flinders Council is committed to not standing down its permanent employees and every endeavour is being made to maintain current staff levels, despite the significant financial loss Council is incurring.

#### **Question 2 - Aaron De La Torre, Tasmanian Coordinator, Australian Services Union**

Clause 17 of Council’s enterprise agreement, the *Flinders Council Enterprise Agreement 2019-2023*, and the *Fair Work Act 2009* both provide requirements for consultation in relation to major workplace changes, including the need to relocate employees, the alternation of hours of work or regular rosters, or in the extreme, the potential termination of employment, amongst others.

The Australian Services Union, and its members, seek to enter into collaborative consultation in relation to any potential changes in the workplace as a result of COVID-19.

Can the General Manager assure employees of Flinders Council that the management team will enter into consultation before any major changes are implemented in the workplace?

#### **General Manager’s Response:**

The standard consultation obligations under Flinders Council’s Enterprise Agreement continue to apply while responding to COVID-19. Whilst COVID-19 is unprecedented in its impact on businesses, our experience at this stage has been that no permanent employees have needed to be re-located.

Declarations under the *Public Health Act 1997* require people to stay at home unless they have to leave their primary residence for the purpose of "attending work...if unable to be performed at the person's primary residence". Flinders Council continues to work with employees to ensure that these declarations are observed. Working at home is not possible for all employees. Flinders Council has worked with employees to temporarily re-configure the workplace to provide 'work hubs' within the workplace to ensure maximum physical distancing and to ensure staff continue to have a safe place of work.

We are committed to:

- Regularly communicating with our employees to keep them advised of the changes required to be made to manage the impacts of COVID-19; and
- If we need to implement any change, we aim to provide advance notice, if possible, of the change and give an opportunity to consult on the effect of the changes.

### **Question 3 - Aaron De La Torre, Tasmanian Coordinator, Australian Services Union**

Given that Local Government is not eligible for the federal government's JobKeeper program, the changes which were made to the *Fair Work Act 2009*, in relation to COVID-19 stand downs and alternation of an employee's regular hours, do not apply to Flinders Council.

Section 524 of the Act (*Employer may stand down employees in certain circumstances*) requires that an employee only be stood down where they "*cannot usefully be employed*", that is to say that there is no useful work for employees to undertake.

Can the General Manager provide a guarantee that all possible alternate duties will be explored before considering standing employees down, including things that are usually outside of Council's core business, but which assist the community with getting through, and recovering from, COVID-19? The Union can provide further details and suggestions around this matter.

### **General Manager's Response:**

Flinders Council is committed to keeping our employees engaged in meaningful work and is prepared to investigate options that include alternate duties within our organisation, on an as needs basis. Council continues to work proactively with staff in responding to requirements arising from this Pandemic.

### **RECOMMENDATION**

**That the responses to the public questions from the 28 April 2020 Council Meeting be noted.**

## 5 Councillor's Questions on Notice

---

None received.

---

## 6 Councillor's Questions Without Notice

---

*Regulation 29 of the Local Government (Meeting Procedures) Regulations 2015 specifies that in putting a Question Without Notice a Councillor must not offer an argument or opinion, draw any inference or make any imputations except so far as may be necessary to explain the question. The Chairperson must not permit any debate of a Question without Notice or its answer.*

### 28 April 2020 Meeting

#### Question 1: Cr Sharon Blyth

Could we please have an update on the Bluff Track, as to who is responsible for its upkeep. Apparently, it is not Parks and Wildlife Service's responsibility, as it is a crown reserve, which should be on a Council lease. The track is becoming quite overgrown in parts and needs attention as soon as possible.

#### Mayor's Response:

The Bluff Track was upgraded via a 'Cycling for Active Transport' grant which was submitted by Council and included a co-partnership arrangement with the local Parks and Wildlife. It is noted that the final report states that the ongoing maintenance of the track will be conducted by both Parks and Council. The track is located on crown land. There is not a lease to Council.

There is an obvious opposing interpretation of who owns the responsibility for maintenance. You have my assurance that this matter will be investigated within the next month and an update provided following this.

#### **RECOMMENDATION**

**That the response to the Councillor's Question Without Notice from the 28 April 2020 Council Meeting be noted.**

---

## 9 Declaration of Pecuniary Interest

---

*In accordance with Regulation 8 of the Local Government (Meeting Procedures) Regulations 2015, Councillors are required to declare any pecuniary interest that they, or any of their close associates, may have in any matter appearing on the agenda, or any supplementary item to the agenda, before any discussion on that matter.*

---

## 10 Conflict of Interest

---

*In accordance with the Part 2, paragraph 6 of the Local Government (Model Code of Conduct) Order 2016, Councillors are required to declare any conflict of interest, be in actual, perceived*

*or potential, that they may have regarding any matter appearing on the agenda, or any supplementary item to the agenda before any discussion on that matter commences.*

### 15.1 Development Application Report

<b>Action</b>	<b>Information</b>
<b>Proponent</b>	Council Officer
<b>Officer</b>	Emma Egan   Regulatory Services Officer
<b>File Reference</b>	PLN/0105
<b>Annexures</b>	15.1.1 Planner's Information Report – April 2020

#### INTRODUCTION

This report provides Councillors with an overview of the applications for the current period as per motion 249.09.2015, passed at the 24 September 2015 Council Meeting when Council requested monthly data from the West Tamar Council planning consultancy service.

Permitted applications are assessed under section 58 of the *Land Use Planning and Approvals Act 1993* (the Act) and are not advertised. If applications classified as Permitted meet all development and use standards, they must be granted a permit, with or without conditions.

Discretionary applications are assessed under section 57 of the Act and are exhibited for a two-week period during which submissions may be received from the public. If a submission is received the planners report for that application is considered by Council. Discretionary applications where no submissions are received as well as applications with a Permitted pathway are approved under delegation to the General Manager.

The numbering of applications relates to the electronic filing system. Numbers are allocated to Planning (DA), Building (BA) and Plumbing (PA) applications as they are received. This may mean that planning numbers are not sequential if for example, a development requires a building application but is exempt from a planning application.

#### PREVIOUS COUNCIL CONSIDERATION

Some items may have been considered at meetings of Council while the remainder have been approved under delegation by the General Manager.

#### OFFICER'S REPORT

Refer to Annexure 15.1.1, Planner's Information Report – April 2020, provided by West Tamar Council.

#### VOTING REQUIREMENTS

Simple Majority

#### RECOMMENDATION

**That the Planner's Information Report – April 2020 be received.**

### 16.1 Schedule of Fees & Charges 2020/21

<b>Action</b>	<b>Decision</b>
<b>Proponent Officer</b>	Council Officer Heidi Marshall   Finance Organisational Performance Manager
<b>File Reference Annexure</b>	FIN/0701 16.1.1 DRAFT Fees & Charges Schedule 2020/21

#### INTRODUCTION

Under Section 205 of the *Local Government Act 1993*, Council can impose fees and charges with respect to the listed activities within the Act. These activities include the use of any property or facility owned by Council; and any application, licence, permit, registration granted by the Council.

#### PREVIOUS COUNCIL DISCUSSION

Council Workshop 12 May 2020

#### PREVIOUS COUNCIL CONSIDERATION

#### OFFICER'S REPORT

Fees and charges and their methodologies of cost structure have been reviewed in the last few years and benchmarked to other Tasmanian Councils. Accordingly, few cost segments have been recommended to be changed. Major recommended changes have affected the following areas:

- Planning and Building: This area has had some major recommended changes which have affected the user fees and charges. The decision by Council to privatise Building Surveying has removed several user fees and introduced a Building Subsidy. Planning fees have been streamlined to simplify and provide ease of understanding fees.
- Burials: This area has been streamlined to provide a simpler fee structure through separation of costs.
- Private Works Hire Charges: A new section has been introduced this year to set the fees and charges for the hire of Council plant and equipment, and the charge out fee for blue metal and gravel.

Due to the implications of COVID-19 on the economy, fees and charges have not been increased this year.

#### STATUTORY REQUIREMENT

*Local Government Act 1993*

#### POLICY/STRATEGIC IMPLICATIONS

No policy exists on this matter.

#### BUDGET AND FINANCIAL IMPLICATIONS

High. The adoption of 2020/2021 Fees and Charges is required to perform the next phase of the Budget process for 2020/2021.

**RISK/LIABILITY**

The risks and liabilities in the upcoming year lie mainly with 'activity' rather than the actual 'cost of the fee charged'. The impacts of COVID-19 on the 2020/2021 budget will most likely see a downturn in the collection of fees and charges, due to the decline in activity.

**VOTING REQUIREMENTS**

Simple Majority

**RECOMMENDATION**

Pursuant to Section 205 of the *Local Government Act 1993*, that Council adopts the Fees & Charges as per the attached schedule (Annexure 16.1.1).

<b>Annexures</b>	17.1.1 Petition – Lady Barron Transfer Station 17.1.2 Petition – Lady Barron and Killiecrankie Transfer Stations

#### INTRODUCTION

Two petitions to Flinders Council regarding the Lady Barron and Killiecrankie Transfer Stations were received and tabled at the 28 April 2020 Ordinary Meeting of Council.

#### PREVIOUS COUNCIL CONSIDERATION

74.4.2020                      28 April 2020

#### OFFICER'S REPORT

A petition to Flinders Council from Gerald Haworth Willis with 143 signatories regarding the Lady Barron Transfer Station was tabled at the 28 April 2020 Ordinary Council Meeting. The wording of the petition is as follows:

*"We, the undersigned, recognising that Flinders Council will consider a recommendation to close the Lady Barron Transfer Station at its Ordinary Meeting to be held 28 April 2020, hereby urge and implore the Council not to close the station for the following reasons (which is not an exhaustive list):*

- that the current model is the cheapest of all models considered;*
- that the closure would require a 70km round trip for residents to dispose of their waste;*
- that the closure would result in illegal dumping in the area which would pose health risks in the Community; and*
- that the need for tradesman to dispose of building waste at Whitemark would add unnecessary costs to building projects for travel time.*

A petition to Flinders Council from Alan Michael Radford with 54 signatories regarding Continuation of Land Waste Transfer Station Services at Lady Barron and Killiecrankie was tabled at the 28 April 2020 Ordinary Council Meeting. The wording of the petition is as follows:

*"We the undersigned, would like to lodge our objection to the Council moving such a motion on the Agenda when those Community members who will be directly affected have not been contacted or provided with an opportunity to make comment on the need of Council to rescind its previously community approved motion which was for Model 4. Model 4*

*Whitemark Landfill Site open four days a week, Lady Barron Transfer Station open two days a week and Killiecrankie Transfer Station open one day a week.*

- Ten-year program costs \$5,126k vs current status quo \$3,200k – additional \$1,926k.*
- Pro – strives to keep Transfer Stations open.*
- Pro – takes the risk out of Model 3 and opens the Whitemark Landfill site for an extra 2 days.*
- Pro – highest level of service delivery.*

- *Con – most expensive option.*

*This model is not recommended as it is the most expensive and not affordable option. It seeks to address the issues identified in Model 3, but the provision of the highest level of service delivery comes at an unobtainable cost.*

*Regardless of costs to the Council this was the approved motion made after a proposed Waste Management Strategy was circulated and the Community was given time to provide public feedback. By moving this motion at a time when there has been no further community consultation with no public discussion is irresponsible of the Councillor's in their duty to represent the persons who voted them into positions whereby they are purportedly representative of their constituents is, very possibly, a breach of the Public Interest Disclosures Act 2002.*

*Those Councillors should also note that this would result in the constituents of the Northern and Southern Parts of the Island without any or few services provided by Council for their Rates. Currently, those in the Northern region of Flinders in particular, do not receive Water Supply Services, no or considerably limited sealed roads and now the Council plan to remove the essential Waste Transfer Station.*

Both petitions comply with section 57 of the *Local Government Act 1993* and are now presented to Council for consideration.

#### **STATUTORY REQUIREMENT**

*Local Government Act 1993 Section 60*

#### **POLICY/STRATEGIC IMPLICATIONS**

No policy exists on this matter.

#### **BUDGET AND FINANCIAL IMPLICATIONS**

#### **RISK/LIABILITY**

Nil

#### **VOTING REQUIREMENTS**

#### **RECOMMENDATION**

**That Council suspends the operation of Regulation 22 of the Local Government (Meeting Procedures) Regulations 2015, in accordance with Regulation 22 (9) to discuss the petitions to consider the appropriate action to take.**

## 17.2 Proposed Killiecrankie Boat Ramp

<b>Action</b>	<b>Decision</b>
<b>Proponent</b>	Council Officer
<b>Officer</b>	Brian Barnewall   Works & Services Manager
<b>File Reference</b>	ASM/0100
<b>Annexures</b>	17.2.1 Email from Norm Hunt

### INTRODUCTION

In April 2020, Council received an email from Norm Hunt, on behalf of local residents, regarding the possibility of acquiring funding for an all-tide boat ramp at Killiecrankie. As per the email received (Annexure 17.2.1), the request has been verbally supported by Flinders Island Police, Fire Service and State Emergency Service as there currently is no such facility on the North Western side of the Island, and therefore a safety concern.

Should the proposal be successful, Marine and Safety Tasmania (MAST) has agreed to fully fund and manage construction of the boat ramp on the condition that Council assume ownership and ongoing maintenance of the boat ramp. The proposal states that a simple concrete ramp is preferred, with no jetty of any type required.

This proposal is very much in the feasibility stage and is seeking Council's endorsement.

### PREVIOUS COUNCIL CONSIDERATION

Nil

### PREVIOUS COUNCIL DISCUSSION

Nil

### OFFICER'S REPORT

There has long been a view that an all-tide boat ramp at Killiecrankie would provide a major benefit to the mid to northern area of the Island. The ramp would enhance marine safety, as well as recreational use, and Killiecrankie Bay is well protected from most weather conditions. Council currently has boat ramps at Port Davies and Palana. Port Davies is subject to weather conditions and Palana is tidal. The addition of Killiecrankie would help complete coverage of the western side of the Island.

The proposal states that a concrete ramp only is required, which would mean very little, if any, maintenance in the future. Other ramps built in the last 10 years have an estimated lifespan of over 30 years.

### STATUTORY REQUIREMENT

*Local Government Act 1993*

### POLICY/STRATEGIC IMPLICATIONS

Nil

### BUDGET AND FINANCIAL IMPLICATIONS

Minimal - The boat ramp would be fully funded by MAST with Council taking ownership and ongoing repairs once completed. Council may also be required to fund any investigative reports required by Parks and Wildlife Service Tasmania, estimated at \$5,200. This ramp would be a concrete structure with an expected lifespan of 30 plus years, with very low maintenance costs.

**RISK/LIABILITY**

Low – Initially Council is being asked to support the application, and then fund any reports required, as well as assume ownership of a fully-funded concrete boat ramp with negligible ongoing maintenance costs, should the proposal be successful.

**VOTING REQUIREMENTS**

Simple Majority

**RECOMMENDATION**

**That Council supports, in principle, the proposal of community members to apply to Marine and Safety Tasmania for a Killiecrankie boat ramp, and agrees to further consider funding Parks and Wildlife Service Tasmania investigative reports and assuming ownership and maintenance of the boat ramp, when more information has been provided.**

### OFFICER'S REPORT

Section 22 of the *Local Government Act 1993* empowers Council to, in writing, delegate with or without conditions, certain powers and functions to the General Manager. In addition, Council may authorise the General Manager to further delegate those powers to Council employees (see s.64(1)(b) of the *Local Government Act 1993*). Various other Acts also empower Council to delegate its powers and functions, examples are s.6 of the *Land Use Planning and Approvals Act 1993* and s.8 of the *Building Act 2016*.

The purpose of Council's Instrument of Delegation is to record, in writing:

1. all delegations made by the Council to the General Manager and other persons under statute; and
2. instances where Council has authorised the General Manager to further delegate Council's powers and functions.

The making of delegations is a necessary and prudent step to ensuring that the business of Council can be conducted efficiently and effectively. The most recent review of Council's delegations register was performed in light of recent staffing changes, and with a view to producing a document that is more readily understood by both staff and the Community.

### INTRODUCTION

The Gunn Bequest is annually allocated to sporting groups on the Island for the promotion or facilitation of sporting activities for the general population.

### PREVIOUS COUNCIL CONSIDERATION

Gunn Bequest Grants decided annually by Council.

### OFFICER'S REPORT

Notices were placed in the Island News, and on the Council's website and Facebook page, calling for sporting clubs to submit applications for funding via Council's Gunn Bequest Grants scheme. Applications closed 1 May 2020.

The total amount held in trust for the Gunn Bequest at present is \$111,549 and the interest to be earned on the account for the 2019/20 financial year is estimated to be \$2,206. As per Council's decision when the bequest was received in 1985, only 50% of maturing interest is to be distributed as grants and the remainder is to be reinvested.

Therefore, the available amount for distribution this year is \$1,103.

The following request was received for consideration by Council:
