1. Definitions

Worker - A person carrying out work in any capacity including–

- (a) an employee; or
- (b) a contractor or subcontractor; or
- (c) an employee of a contractor or subcontractor; or
- (d) an employee of a labour hire company who has been assigned to work in the Council; or
- (e) an outworker; or
- (f) an apprentice or trainee; or
- (g) a student gaining work experience; or
- (h) a volunteer; or
- (i) a person of a prescribed class.

Stakeholders - may include but are not limited to all Workers, Councillors, Committees, General Community, Visitors, Lease Holders and Interested Parties.

2. Objective

To, so far as is reasonably practicable, protect Flinders Council, its workers and the Community against loss through the application of sound management principles and work practices that minimise exposure to risks and adverse impacts on corporate objectives.

3. Scope

This Policy applies to all areas of Flinders Council's operations and includes all Councillors, Workers and representatives of Flinders Council.

4. Policy

It is the policy of Council that:

- 4.1. To achieve our vision and strategic goals, we are committed to the ongoing effort of managing our risks by the systematic identification; analysis, evaluation, treatment, monitoring and communication of risks that can impact our organisation.
- 4.2. Fit-for-purpose and sound risk management principles and practices will be integrated throughout all levels of council to consistently eliminate or minimise exposure to risks and to manage the effects of uncertainty.
- 4.3. Risk-based decision-making will be integrated throughout Council for the benefit of the organisation, our community and our stakeholders.
- 4.4. A culture of awareness, accountability and shared attitudes will promote a willingness and capability to manage risk at all levels across the organisation.
- 4.5. Significant threats and opportunities associated with the performance of Council functions and the delivery of Council services will be identified and mitigated.
- 4.6. Our risks will be managed by the systematic identification; analysis, evaluation, treatment, monitoring and communication of risks that can impact on Council's ability to achieve its vision and strategic objectives.
- 4.7. Information, training and supervision on risk management are provided to all Workers, Councillors, Lease Holders and Committees; and
- 4.8. When there are competing demands on Flinders Council's limited resources, the Council will allocate resources to:
 - Maintain employee and public health and safety;
 - Minimise Council's exposure to loss and litigation;
 - Protect Council's financial and physical assets;
 - Protect and enhance Council's reputation; and
 - Ensure continuous improvement in the Risk Management process.
- 4.9. The Risk Management Framework and associated processes and tools are documented, recorded and reviewed on a regular basis to ensure ongoing suitability to the organisation's needs.

The roles and responsibilities for risk management at Council are specified in the Flinders Council Risk Management Framework Guidelines and listed below:
