

 <b>FLINDERS COUNCIL</b> <b>CONTINUOUS IMPROVEMENT REGISTER 2023/2024</b>			
Date	Topic/Matter	Amended Process	Outcome Reason
12/07/2023	Training for Works & Services Employee	Tag & Test Training completed in July 2023.	Up-skilling of Council employees enables on-island completion of Safety Compliance. Cost savings.
17/08/2023	Town Maintenance email set up	<a href="mailto:town.maintenance@flinders.tas.gov.au">town.maintenance@flinders.tas.gov.au</a> email set up	Improved communication, response times, audit trail.
23/08/2023	Plant Nursery at Depot	Develop small plant nursery at the Depot.	For use in Council plots and gardens rather than purchasing. Cost savings. Not for commercial sale.
31/08/2023	Waste recycling station	Install multi station recycling hub in Whitemark.	Reduces quantity of items going into landfill and encourages community to embrace circular economy.
8/09/2023	Fuel Tax Credit Claims	Review of the last four years of Council Fuel Tax Credit Claims by an independent consultant identified areas for improvement. Airport team now using logbooks to record "off airport" driving.	Fuel credits now able to be claimed more accurately - 90% of fuel use claimable when previously nothing claimed. Understanding of the ATO's regulations improved.
11/09/2023	Fuel sourced from Bass Strait Freight	Quotes being sourced and negotiated by Richard.	Savings on fuel over time.
