AUDITORS REPORT FOR THE YEAR ENDED 31ST MARCH 2014

\

I have examined the bank statements, cheques and deposit books, and cash book for the above organisation for the period stated. Records have been kept in an acceptable manner, and reflect a true and fair position of the financial position of the SES, Flinders Island Branch.

You are to be congratulated upon the work carried out during 2013/2014.

Yours faithfully

28/05/2014

Terence Klug AASA, CPA (retired)
