Dear Bill

RE: Flinders Island Show Insurance 2017 - 18

On behalf of the Show Society I am writing to request that insurance cover with JLT be underwritten by Flinders Council for the period 1 April 2017 – 30 March 2018.

In 2016 Cr Gerald Willis proposed that this major expense of the Show Society be covered by funds from Council. The cost of the premium \$1694.05 was paid to the Show Society during the year, and this was greatly appreciated.

Members of the Show Society committee understand that Council has a limited budget to support community groups. Payment of the funds by the Show Society is not an expense that presents undue pressure on the resources of the organisation.

Yours faithfully

Robyn Dilger
Secretary / Treasurer
