Subject: Patriarchs Sanctuary rates

Dear Bill

I am writing as Secretary of the Friends of the Patriarchs Sanctuary Inc to request consideration of the waiving of the 17/18 rates (\$729.39) on the property.

The Council has waived the rates each year (for at least the last few that I've been involved) as we are a very small and 100% voluntary group that maintains the facility (and pays insurance) solely on money raised from donations and raffles.

The facility is valued by locals and tourists and we do hope you may be able to assist with our request.

Yours sincerely
