Dear Carol.

Flinders Island Tourism and Business Incorporation is pleased to announce that we are in the running to win a Destination Marketing Tourism Award in Perth 2018. The National Awards are to be held at the new Perth Stadium on February the 23rd (please see email attached). We would like to send a representative from the FITBI Executive and invite a Councillor or Flinders Council representative to attend.

We are also hoping there is a possibility that Council might assist with the flights as we will be representing the Island on such a large stage?

If you can please indicate if you are interested to attend and help support the flights that would be greatly appreciated. If you are able to support, I will put it out to the Executive to see who might wish to attend.

Yours sincerely,

Jo Youl
