

26<sup>th</sup> March 2019

Hon. Peter Gutwein

State Treasurer

Level 9

15 Murray Street

Hobart 7000

Dear Peter

**Re Invitation**

On behalf of the Board I have pleasure in extending an invitation to you to visit Flinders Island to present an update to the business community on the budget and the implications for Flinders Island at a special event that fits with your schedule. We anticipate that this is would be in May after the State Budget has been presented.

On another matter we are working with the Flinders Council to establish a joint Working Group with the purpose of progressing the accommodation supply issue for the Island. We believe it is important for the Government to be represented on this working group. We would appreciate if you could consider appointing a representative to be part of the Working Group.

In closing may we express our thanks for your support for the economic development of our island home.

Yours sincerely

Maya Nikolic

Hon. Secretary
