What is a Service Request, Enquiry or Complaint?

It is important to make the distinction between a service request, enquiry or complaint.

A Service Request is — An appeal for assistance to inspect, remove, replace, repair or reinstate Council facilities or amenities which may be damaged or missing i.e. repair a street sign, pot hole in the road that needs repair or empty gas bottle at public BBQ.

An Enquiry is — An appeal for information. An answer to be provided to a specific question or a decision to be made in relation to a specific matter.

A Customer Complaint is — An expression of dissatisfaction with a level or quality of service or product offered or provided, or an appeal for action.

Service Request

If you wish to put in a Request for Service you can do so by phoning the council office, by email, post or via the council website.

https://www.flinders.tas.gov.au/service-request

Please ensure to provide your contact details so that council can respond to your Service Request.

Where do I make my complaint?

Complaints in relation to services provided must be made in writing and addressed to the attention of the General Manager. Councils contact details can be found on the back of this brochure.

Whilst most problems can usually be resolved quickly, there are times when detailed investigations may be required. If it will take time to address your complaint Council will keep you informed of the progress during the investigation.

- To assist Council in dealing with your complaint you should include the following relevant detail –
- Date, time, location of event if applicable.
- What the complaint is about.
- To whom you may have already spoken.
- State what you, the customer, hope to achieve as an outcome.

What if I am not satisfied with the response to a complaint?

Experience has shown that the majority of complaints will be satisfactorily resolved, however if you are not satisfied with the outcome you may ask for a review of your complaint by the General Manager, who will reinvestigate your complaint and inform you of the findings.

Abusive Customers

No Council employee is required to abide threatening, abusive or insulting conduct from customers. Any interaction with members of the community where personal abuse or vulgar language is used, the communication may be terminated immediately by the Officer. If face to face, the Officer may walk way. If on a telephone, the Officer will terminate the call. If in email, the address may be blocked.

What do I do if I am still not satisfied?

The Ombudsman may review actions and decisions taken by Council. While you are entitled to refer your complaint directly to the Ombudsman at any time, we would encourage you to allow Council to investigate your complaint first.

Complaints of Non-Compliance or Offence

A customer may make a complaint to the Director of Local Government that a Council, Councillor or General Manager has failed to comply with the Local Government Act 1993, or any other Act, or they may have committed an offence under the Local Government Act 1993. Such complaints must be made in writing; identify the complainant and the person against whom the complaint is made; give particulars of the grounds of the complaint; be verified by statutory declaration; and be lodged with the Director. Complaints should be sent to Director of Local Government, Local Government Office, Department of Premier & Cabinet, GPO Box 123, Hobart, 7000.

Your complaint will be forwarded to an appropriate officer for investigation, action and reply. Council will try to resolve the complaint as quickly as possible and get back to you by your preferred method of response. Timeframes are detailed in this brochure and Council’s Customer Service Charter Policy.

Reporting of Complaints

In accordance with Section 339F of the Local Government Act 1993, the General Manager will provide a report to the Council annually on the number and nature of complaints received. The Council will review this Charter every two years.

Personal Information Protection

Council has a commitment to protect Personal Information provided by a customer to Council in accordance with the requirements of the Personal Information Protection Act 2004 and the Right to Information Act 2009. Council’s Privacy Policy is available for inspection at the Council Offices and on Council’s website.
