**For:** Mayor Annie Revie, Deputy Mayor David Williams, Cr Sharon Blyth, Cr Aaron Burke, Cr Vanessa Grace, Cr Peter Rhodes and Cr Rachel Summers.

*All Councillors restated their Declaration of Office and addressed Council and the gallery as follows:*

**Mayor Annie Revie**

I feel deeply honoured that the Flinders Community has elected me as Councillor and as Mayor for this four-year term. I enjoy communicating with people and see it as a privilege to actively listen. I believe that truly listening is one of the greatest gifts any person can give to another and, in this role, to the Community at large. We as a Council have many important decisions to make over the next four years – decisions that will affect our lives and the lives of the

Community. The process of decision-making is not to be taken lightly. It requires hard work and strong commitment to facilitate the best possible outcomes. My greatest hope is that this Council will succeed and will leave a legacy of positive achievement in line with community, understanding, hopes and achievement. I believe that all of our Councillors wish to serve Flinders Municipality and that my leadership will enable them to do so.

### **Deputy Mayor David Williams**

Firstly, I would like to thank the Community for electing me to council for my 4<sup>th</sup> term and for choosing me as their Deputy Mayor.

Since coming here with my wife, Dale, 20 years ago I have found everyone on the Island to be generous with their voluntary work as well as the support of those around them, including me personally in my fund-raising efforts, for which I will always be indebted to them. I am very proud to be representing you all again.

I would also like to congratulate my fellow councillors in getting elected. I think that we have a very positive team with diverse interests which I am sure will benefit our community greatly.

As for my own goals over the next 4 years I must say that I am mainly concerned to ensure that, above all else, we remain financially sustainable. That is to say that Council will budget carefully and remain within their spending limits so as to put ourselves in a strong position once more after all the necessary major capital investments in recent years. That is not to say that we can't continue to make improvements, but that careful consideration needs to be given. Such financial responsibility will go a long way to avoiding any question of amalgamation and will put the Community on a sound footing for many years ahead. And this responsibility is in our hands.

For many years I worked in the financial sector of the business world creating wealth for people I would never meet. As a councillor here on Flinders Island I have in the past and always will work similarly hard for the security and well-being of our community.

My other concern is that we be more transparent to our community over our deliberations and decisions. Obviously, with confidential issues this is not possible at all times, but I believe we must make every effort to break down the barriers that exist between council and the people who elected us.

So, in closing, I would like to say how excited I am to be working with you, my fellow councillors, for the next 4 years in achieving the best possible results for our community.  
**BRING IT ON!!!**

### **Councillor Sharon Blyth**

Good afternoon everyone and welcome to all members of the public that are here today for this the first meeting of our new council. I am especially excited to have my family here. It would have been great to have Dad here but understandably it's a little expensive to come over just for the day, which is why I have arranged to have this bit filmed so I can show Dad in a couple of weeks whilst I am over in Launceston. I also welcome and congratulate all my fellow councillors and just so you all know, I'm still EXCITED even after three workshops and a community function, and I am looking forward to working with you all over the next four years and getting stuff done!!

I would also like to thank all Council staff that presented to us last week. It was what I thought, a very important and informative session, and I also thank all staff for all the help they have

provided already and for making me feel welcome to this council position, especially Vicki & Bill. Already I am finding being a councillor very challenging but rewarding. I would also like to acknowledge Carol Cox for her efforts over the past 11 years as Mayor, and to the other councillors who chose not to stand again at this election for their efforts also.

One of my first jobs after leaving school in 1981 was in fact working in the front office of Flinders Council with only myself and Michelle Campbell (Rhodes) running the show, Marg Midson was Administrative Officer, Ken Worsley was Council Clerk, and I guess Dad was what was known then as the Warden. Ah, those were the days. Ken would use a dictaphone to dictate his correspondence for us to type up and oh what a challenge that was, but we got there. We also got paid in cash those days and Michelle and I would both (apparently if anybody was thinking of robbing us of our bag of money they would think twice knowing there was two of us) walk down to the Westpac Bank that is now Killiecrankie Enterprises and collect all the cash needed to do up the pays each fortnight. Not sure how much but still a lot of money back at that time. That was an awesome job, divvying all that cash up and placing it in those individual little brown paper pay envelopes.

Council meetings were also held then in what was known as the court room and is now a rabbit warren of little alcove offices for the multitude of staff that is now needed to cope with all the red tape etc. that goes with running a council. Agendas I'm sure were also much smaller than they are now, another sign of how much more paperwork is needed now to run a Council.

I have also worked on the outdoor staff as a leading hand for one of two groups that were employed through, I think, a CES scheme. Each group was responsible of repainting a lot of the council buildings. My group painted the Wybalenna Chapel, Emita Hall and other buildings at the Emita Showgrounds. We also helped with the clearing of Port Davies Road along the stretch below Mike Nicholls home. Being paid as a leading hand, and also being paid a car allowance for using my brother's valiant wagon to cart my team around, it was a nice little pay packet. Back then we actually had more outdoor staff than indoor staff. I was also employed in 2010/2011 as helper to Jan Lees in garden maintenance.

My main place of employment ended up being Webster Ltd where I worked from 1986 through to 1992 with several of those years spent as relief Store Manager of half a dozen stores on Tasmania mainland before returning to the Island and taking over from David Henning when he retired. I have since worked with Elders and now Roberts where I have been since 2011. All that aside I feel I have come a long way from the shy little girl that wouldn't say boo and am really excited and proud to be here.

Becoming a councillor has often been on my mind since Dad was involved with Council, but three small children prevented me from pursuing this any further until now, as my youngest is now 15.

I love Flinders Island and still believe it is a great place to bring up small children. Sadly, as they grow older, they seem to grow out of Flinders and need to leave to find employment. Some lucky enough to find employment do return, as I did, because of our love for this place; others return to visit only.

One of my hopes as a councillor is to be able to encourage more development and manufacturing on the Island and therefore provide more employment for the young people. It would be great also to see the council sitting more comfortably financially at the end of the four-year term. Of course, waste management is another important issue I hope that we as a team can address in the next four years, along with our airport viability, travel and freight costs and communication between council and ratepayers.

In closing I would like to thank once again everyone that voted for me and also a special thank you to Molly at Roberts and also Ruralco, the company, for giving me the opportunity to be a councillor, and of course my workmates for sharing the load whilst I am otherwise occupied with council duties. I am also extremely grateful and thankful to my family for putting up with me in the lead up to the election, during the campaign and in the future as a councillor. They will be supportive; 'don't even think about going in there its agenda week remember', they will be encouraging; 'don't talk to Mum she's having a meltdown', they will be sympathetic; 'Mum I don't want to know, I hate politics'. And of course, thanks to Alan, as already since being sworn in last week he has hardly seen me, and we are only three weeks in.

Again, I am proud to be here and grateful to have the opportunity to serve this great community.

### **Cr Aaron Burke**

Madam Mayor, fellow Councillors and members of the gallery, I am thankful to have been elected as councillor for the Flinders Municipality in our recent elections and would like to take this opportunity to congratulate my fellow Councillors, previous Councillors for their contribution to local Government and last but not least, to the people who supported me.

I hope to bring to the table my 18 years of business experience. This has involved the starting up, marketing, communication, finance management, human resources and interacting with clientele to keep my business developing.

In 2016, my partner and I, along with my two sons, were privileged to be able to purchase 'Happy Valley' farm, which has become our new passion. I am invested in this island and I want to see a sustainable future for this generation and generations to come. I love this island and what it stands for - the mate ship and tight knit community that exists here has always been a draw card for me.

I look forward to working with my fellow councillors as a team, supporting the Community. I would like to work on bridging the gap between community and council and being more transparent in our decisions and actions going forward.

Thank you once again.

### **Cr Vanessa Grace**

I firstly would like to thank the people that voted for me, it is an honour to be here today. I would like to thank the Council for the workshops we have had so far, they were very informative and helpful. Sharon Blyth for organising with the Council to bring Lynn Mason over for the new Councillors. Lynn is so full of knowledge, it was wonderful to hear her speak and I learnt a great deal.

I have included a small part of the obituary that Lynn wrote for my grandmother, because it was very true. My grandmother was the 105<sup>th</sup> Councillor and she represented the south ward for 9 years. She cared very much for this island and had an abiding interest in young people, hoping to be able to create opportunity for them in the way of employment, recognising their achievements, and nagging council to provide recreational facilities. She had a great deal of respect from all walks of life.

My mother was the person that created the rose garden and I remember that every time I walk through it. It is a beautiful place to be in. She has worked long and hard on the foreshore, Lady Barron, Library and home unit gardens over the years. Her hope was to beautify Whitemark

and I, along with another Councillor, hope to be able to reactivate that committee and do just that.

They have both made a difference to this island, each in their own ways. I hope to be able to do the same. When I was considering standing for Council my thought was what can one person actually do, what can I actually achieve, and I was watching a program on the drought and a little 7-year-old boy was on the screen. He, with the help of his family, had raised over a million dollars for the drought. That made me think - well yes one person can make a difference, you just need to try. My other realisation is that it isn't just me on this Council, there are 6 other people on it who bring along all their different life skills. We have a diverse range of Councillors elected this term and I think we are going to make a great team. We do face a considerable amount of challenges, but I am hopeful we will be able to address some of these in this term.

It is not my wish that our Council be amalgamated. It would be a huge loss to lose our ability to speak on matters that are important to our island, nor for us to be governed by someone off island. It is my hope that we are able to retain our wonderful lifestyle, a place we all love for different reasons, but still be open for the right business and opportunities that come our way. Who knows what we will achieve, we just have to try.

**Cr Peter Rhodes**

Madam Mayor, Members of the Public, my fellow Councillors.

It is a pleasure and an honour to sign up for another 4 years.

I was unfortunately delayed overseas and missed the last meeting of the former Council. So, firstly, I would like to pay tribute to Carol Cox and the former Councillors for their service to the community, in particular councillors Stockton, Willis and a close associate.

Secondly, I would like to thank all those who supported me in the last election.

Finally, I congratulate the other Councillors here present and I look forward to working with you all to meet the future challenges.

Thank you

**Cr Rachel Summers**

I am thrilled beyond measure to be elected as Councillor by the residents and rate-payers of the Furneaux Group. Your trust and support in me is humbling and sincerely appreciated. I commit myself to serving our community to the best of my ability with energy, commitment and integrity.

We have some legacy issues to be dealing with in our term and high community expectations. I am going to say that 4 years is not enough time to solve them all. However, with the diverse and forward-thinking team our community has elected, we shall certainly be able to, in conjunction with Council, lay the foundations to ensure that economic viability for the future is not just an option but a guarantee.

I will advocate for fair, balanced, equitable and economically-sound policies that respond to the needs of our island and help build and support a unified community.

Lastly, as we go not only into a new council, but a new year, I'd like to make the resolution that I, together with my Councillor colleagues, Council staff and most importantly you, the people

of Flinders, work collectively to keep our island a beautiful, progressive and safe place to live. A place we can all be proud to call home.

### **Mayor Annie Revie's Summation**

Thank you once again for your attendance here this evening. It is wonderful for all of us to have family and friends here to support us in our induction and introduction to Ordinary Council Meetings.

I feel absolutely honoured and privileged to have been elected Councillor and Mayor of Flinders Municipality. I see it as my responsibility to serve this community to the very best of my ability and I make this my promise to you all – Councillors and Community Members.

As a former Primary School Principal and Education Consultant, I have a passion for leadership, for teamwork and for enabling participation and engagement of Community in key Council decision-making. I believe we live in a time when many people want to understand more about decisions that affect their lives.

I also believe that there is potentially far more benefit to be had from councillors working together rather than separately. The whole is always greater than the sum of the parts.

We will disagree at times of course, but disagreement is healthy. I know from our time already spent working together, that we will strive, respectfully and with care, to search for common meaning in order to make decisions that benefit this wonderful community.

Council has made a great start to the four-year term. We have worked together to learn about how Council operates, including about how we can make positive contributions - with each other, with Council staff and with the Community. In Bill's words, we hit the road running - well in my case more like faster- than-usual walking really! But definitely a great start!

**297.11.2018 Moved:** Cr R Summers **Seconded:** Cr A Burke

That the meeting be adjourned until 5.50pm for Council to enjoy refreshments with family and friends.

## **COUNCILLOR'S QUESTIONS WITHOUT NOTICE**

### **Question 1: Deputy Mayor D Williams**

Could we please have a brief update on the current status of the planned extension of water supply for Whitemark residents.

### **Mayor's Response**

There has been no further information since TasWater's presentation to Council.

**RESPONSE TO COUNCILLOR'S QUESTIONS WITHOUT NOTICE**  
**11 October 2018 Council Meeting**

**Question 1: Cr David Williams on behalf of Darryl Butler**

I was wondering if you could find an explanation for me on the matter of the illegal fencing at Palana.

This issue has been raised with two General Managers to date. The first declaring that the construction being carried out by a sitting councillor at the time would be allowed to happen "over my dead body".

This was followed by emails suggesting that it would be "temporary fencing" and would have to be removed within two years. That was four years ago. Two meetings with the current General Manager on the subject, the first informing me that a letter had been sent instructing them to remove the fence. That was over 12 months ago and the second advising that further incursions had been made onto public land with tree planting.

Despite emails trying to ascertain the current position, no reply has been received.

It has also come to light that all 3 boundary fences have not been located in accordance with the property boundaries, 2 encroaching onto road reserves and the other onto the neighbour's property. None of this is temporary fencing, it is permanent electrified fencing and results in a substantial increase in property size. Can I please have an explanation on why this has not been dealt with? People cannot simply fence land that is not theirs.

The only resolution to this is to have the property surveyed and fenced accordingly.

**Mayor's Response:**

This question was taken on notice and I can now respond and thank you for raising the issue. The General Manager had responded to Daryl just prior to the council meeting at which you asked this question and the landowner concerned has also been updated regarding the fence removal timing.

A summary of advice is as follows:

The temporary fencing beside the beach access road at Palana was reviewed by Council in March of 2017, with the view that the plantings would require at least another 12 months protection from rampant wallaby population in the area.

The site has again recently been reviewed and it has been confirmed that "the existing fence can stay in at this stage as the summer period would be the worst time for animal browsing of the plants. We (Council) will reassess the situation in March 2019 and, if we have had sufficient rains, more than likely we will then be in a position to formally advise you with an appropriate removal date."

With regard to the reference of wrong placement of a boundary fence between neighboring properties, any concern on the siting of boundary fencing is a matter to be sorted by the property owners involved.

Any plantings on roadside reserves need to be approved by Council as per policy. The landowners concerned have been reminded of this and advised that any roadside plantings that impact on road usage or council activities will be removed or required to be removed by Council.

Residents will be reminded of such through the Mayor's column in the upcoming Island News.

**2018 Citizen of the Year Award:**

Mrs Vicki Harper is the deserving recipient of the 2018 Flinders Council Citizen of the Year Award. Vicki is currently well known for her work with the Furneaux Field and Game Association and the Furneaux Tavern Raffle Club, both strong and ongoing activities. In times past Vicki has also given considerable time and support to the local fishermen, doing twice daily scheds (radio connections) to fishing and other vessels in the waters around the Furneaux Group. Vicki also used this expertise to voluntarily man the radios for the Three Peaks Races as the yachts approached and left Lady Barron. Vicki has also contributed to the Bowls Association as Secretary and President, and assisted in community fund raising events, such as the "gala" Ladies Melbourne Cup days held in Lady Barron in the 1980's. The Citizen of the Year Award is given by Council to a person nominated by the Community and Vicki is a very worthy recipient of that award.

Vicki's name will be added to the record of Citizen of the Year recipients on the plaque in the Rose Garden Room of the Flinders Arts and Entertainment Centre.

**National Party Forum:**

The General Manager and I were able to expound on the financial difficulties involved in maintaining a Certified Airport in a remote location, an airport that is the gateway to a productive but small community; and communicate to all who were at the forum the need for financial support to undertake the rebuilding of the long runway in the shorter term. A Priority Projects document was delivered to the Ministers.

**Furneaux Islands Reunion at Rosevears Hotel:**

This was the third reunion organised by the Virieux family that invites people with connections to the islands to meet at the Rosevears Hotel. The event has been held each two years and the vibrant chatter between the attendees discussing current and past activity occurring on the

islands is testament to the success of the event. Thank you, Wayne and Allan Virieux, for motivating us to catch up with old and new friends who have an interest in the islands.

### **Netball and Football:**

Congratulations to the organisers of the annual netball round-robin tournament and the football challenge that brings opposing teams from north east Tasmania and a netball team from King Island to compete here on Flinders Island. The spectator support is amazing so thank you to all involved for making this event happen again this year.

My first week in the role of Mayor was good. I was busy – much busier than usual! I enjoyed the role although my head was spinning just a touch.

My new office is situated inside the Flinders Arts and Entertainment Centre in the room on the right off the Foyer. I think it is a good spot because it is so close to the Council Offices but also separated. This allows privacy for community members if they need it.

I'm looking forward to the up and coming Professional Development Workshops.

<b>Associated Papers:</b>	<i>Annexure 4: Planner's Information Report – October 2018</i>

**Introduction:**

The purpose of this report is to provide Councillors with an update of the applications which have been dealt with by the Planning Department for the current period as per the council motion 249.09.2015, passed at the 24<sup>th</sup> September 2015 Council Meeting. Council has requested that the planning consultancy service (West Tamar Council) provide this detail to Council on a monthly basis.

Permitted applications are assessed under s58 of the *Land Use Planning and Approvals Act 1993* and as such are not advertised nor are the applicant's details made public. Applicants retain the right to privacy having met all development and use standards applicable within the current planning scheme. Applications made under this section must be granted a permit, with or without conditions.

The numbering of applications relates to the allocation provided by the 'Regulatory Applications' (RegApps) electronic filing system. Numbers are allocated in order to Planning (DA), Building (BA) and Plumbing (PA) applications. This may mean that planning numbers are not sequential.

**Previous Council Consideration:**

Some items may have been considered at meetings of Council while the remainder have been approved under delegation by the General Manager.

**Officer's Report:**

Refer to Annexure 4, Planner's Information Report – October 2018, provided by West Tamar Council.

<b>B. NOTICES OF MOTIONS</b>
------------------------------

**ITEM B1: NOTICE OF MOTION – RECORDING OF COUNCIL MEETINGS**

<b>Action:</b>	<b>Decision</b>
<b>Proponent:</b>	Councillor Peter Rhodes
<b>Officer:</b>	Bill Boehm, General Manager
<b>File Reference:</b>	COU/0203
<b>Associated Papers:</b>	Nil

**Notice of Motion:**

1. (a) That Councillors, individually and collectively, research and consider the feasibility and desirability of recording Council Meetings, with a view to making these publicly available; and  
  
(b) That this topic be listed for discussion at the next Councillor Workshop.

**Councillor’s Report:**

The recording of Council Meetings is considered good practice by the Local Government Division of the Department of Premier and Cabinet.

A number of Tasmanian Councils already record and publish their meetings.

A simple internet search<sup>1</sup> reveals numerous examples of Councils that record and publish their meetings in audio format, including Hobart City, Southern Midlands, Waratah-Wynyard, Central Highlands, Huon Valley, Glenorchy City and Launceston City.

The purpose of this motion is to initiate discussion amongst Councillors. Too often we do things in a particular way only “because we have always done things that way”. This is not a recipe for good governance.

This motion, if followed through with a future motion, can achieve three positive outcomes.

Firstly, it provides an opportunity for the new Council to demonstrate a commitment to increased transparency and accessibility.

Secondly, it demonstrates the new Council’s willingness to adopt good practice advice – with a view to becoming recognised as a best practice example.

Finally, it signifies a Councillor commitment to a Continuous Improvement process for Councillor business.

**Officer's Report:**

The stated intent of the Notice of Motion is to provide an opportunity for the new Council to demonstrate a commitment to increased transparency and accessibility, to demonstrate the new Council's willingness to adopt good practice advice – with a view to becoming recognised as a best practice example and to signify a Councillor commitment to a Continuous Improvement process for Councillor business.

As all councillors are aware, when councillors signed the required Schedule 2– Declaration of Office of the *Local Government (General) Regulations 2015*, the declaration has been changed from previous years to now require councillors to declare that they will “engage in ongoing professional development and abide by the principles of good governance.”

The previous Council also thought that ongoing professional development for elected members was a high priority and recommended that “Council strongly considers making an allocation for Professional Development (program for team building) activities in the 2018/19 Budget.”

Council has already started afresh and amongst other things, at the 16 November Councillor Workshop, commenced work on a Leadership Development Program which involved training in working with each other, working with Council staff and working with the Community. Governance and communication aspects which this Notice of Motion proposes in part to address, will likely form part of this approach.

Accordingly, already Councillors have expressed a willingness to adopt good practice advice with a view to becoming recognised as a best practice example and to signify a Councillor commitment to a Continuous Improvement process for Councillor Business, which is the stated essence of the Notice of Motion.

It is questionable whether such a motion in its current form, at this time, will achieve these aims in isolation, as it focusses only on one element (recording of Council Meetings). There needs to be linkages to an overarching communication / governance strategy, per say, which has yet to be determined but which already councillors have made a strong commitment to.

Ideally, consideration of the need, practicability and costs associated with recording of Council minutes could / should form part of a considered strategic approach which obviously will be undertaken over time and not necessarily at the next councillor workshop; especially considering the raft of briefings and training that are being undertaken.

**Statutory Requirements:**

*Local Government Act 1993*

**Policy/Strategic Implications:**

No policy exists on this matter.

**Budget and Financial Implications:**

<b>C. GOVERNANCE</b>
----------------------

**ITEM C1: ORDINARY COUNCIL MEETINGS – LOCATION, TIMES AND DATES**

<b>Action:</b>	<b>Decision</b>
<b>Proponent:</b>	Council Officer
<b>Officer:</b>	Bill Boehm, General Manager
<b>File Reference:</b>	COU/0203
<b>Associated Papers:</b>	Nil

**Introduction:**

Following each ordinary election, the Council is required to review the times of commencement of Council Meetings. On an annual basis it is also a requirement to determine the times and places of Ordinary Council Meetings for the following 12-month period.

This report addresses both matters.

**Previous Council Consideration:**

Annually

**Officer's Report:**

In previous years, Council has, at its November or December meeting, set the locations, dates and times for the next year's meetings.

*Location, Time, Day & Schedule*

For some years, Ordinary Council Meetings have been held on the third Thursday of each month commencing at 1.00 pm, although adjustments have been made at times to accommodate local functions and/or commitments of the Mayor and General Manager.

This being the first meeting after an ordinary election, Council must determine the time of Council Meetings and the location, day and time of Ordinary Council Meetings going forward. Traditionally, Council Meetings have been held during normal working hours and Ordinary Council Meetings at 1pm. Rationale for this includes the following:

- To eliminate staff overtime and other related costs such as child care for staff who are required to attend meetings;
- To minimise the length of the actual working day and hence potential fatigue for staff and councillors who are required to stay focused and sharp as part of their decision-making function; and
- Maximise time available such that if required, a Workshop with external agencies or politicians can be held prior to an Ordinary Council Meeting without making the day arduously long and compromising the decision-making function.

In doing so, Council also looked at the practical realisation that the function of a Council Meeting is to formally look at information and make appropriate decisions after a significant amount of preparatory work and reports were prepared and included in a public agenda. Historically, public attendance at Council Meetings is minimal as in part the opportunity for the general public to participate, other than by attendance, is limited.

Given Council's current financial position, it is considered that this practice continues.

The day that Council Meetings are held is a matter for Councillors to decide. For many years the Ordinary Council Meetings have been held on Thursdays which allows the maximum amount of normal working days for staff to prepare the Council Agenda. Given that Councillors may submit a Notice of Motion as late as 7 days before the meeting, (excluding the day the notice is given and the day of the meeting), the timeframe ensures time is available to adequately research all Notices of Motions and to prepare an appropriate Officer's Report. The current practice also gives Councillors the weekend in which to read information.

Meetings on a weekend are not practicable with Monday or Friday also an issue given the close proximity to weekends and the number of public holidays involved. However, Tuesdays or Wednesdays would also be appropriate from a staff point of view. The actual individual personal circumstances for each councillor also need to be considered.

Following canvassing of Councillors' availability, the proposed schedule for Ordinary Council Meetings has been prepared based on them being held on the third Tuesday of the month at 9am. Forthcoming dates and potential conflicts with other events/meetings/commitments has been taken into consideration by senior management when preparing the schedule and dates changed to accommodate the Mayor and General Manager's attendance at off-island events.

**Statutory Requirement:**

*Local Government Act 1993*

*Local Government (Meeting Procedures) Regulations 2015*

*"R6 Times of meetings*

- (1) A meeting is not to start before 5:00 p.m. unless otherwise determined by the council by absolute majority or by the council committee by simple majority.*
- (2) After each ordinary election, a council and a council committee are to review the times of commencement of their meetings."*

**Policy/Strategic Implications:**

4. Strategic, Efficient and Effective Organisation - Responding to risks and opportunities.

4.3 Ensure Council meets its statutory obligations and manages corporate and community risk.

**Budget and Financial Implications:**

Minimal provided that Council meetings are conducted during normal working hours.

**Voting Requirements:**

## ITEM C2: COUNCIL COMMITTEE AND REPRESENTATIONS

<b>Action:</b>	<b>Decision</b>

<b>File Reference:</b>	GOV/1100
<b>Associated Papers:</b>	<i>Annexure 5: Committee Reporting Procedure</i> <i>Annexure 6: Letter from TasWater Chairman 30.10.18</i>

### **Introduction:**

Flinders Council currently has a raft of Committees that were established to allow communication, discussion and community input into decision-making on specific areas or activities of community and Council importance. Post an election, Council is required to undertake a review of these committees and their representatives to ensure they are still relevant and have adequate Councillor representation to ensure their continued function. In addition, there is an opportunity to review the rationale behind the current arrangements to see if they are still appropriate.

This report outlines the current Council Committee Structure and Membership and Representations and provides an opportunity for Council to review whether the structure and function are still relevant and to appoint new councillor representatives now that new councillors have been appointed.

### **Previous Council Consideration:**

From time to time Council reviews its committee structure and post each election is required to review committees and representation.

### **Officer's Report:**

#### *Special Committees*

The *Local Government Act 1993* section 28 outlines the roles and functions of Councillors. Councillors are charged with the following:

#### *"28. Functions of councillors*

*(1) A councillor, in the capacity of an individual councillor, has the following functions:*

- (a) to represent the community;*
- (b) to act in the best interests of the community;*
- (c) to facilitate communication by the council with the community;*
- (d) to participate in the activities of the council;*
- (e) to undertake duties and responsibilities as authorised by the council."*

The Act directs that the communication and representation of and with the Community is the function of a Councillor. Transparent decision making, consultation and communication falls directly within the role of a Councillor and the Councillors as a collective.

Although not the only way, the use of Special Committees has been in the past one vehicle to assist in achieving this outcome.

Flinders Council currently has a range of Special Committees that were historically established to allow communication, discussion and community input into decision-making on specific areas or activities of community and council importance.

The *Local Government Act 1993* section 24 states the following:

*“24. Special committees*

- (1) A council may establish, on such terms and for such purposes as it thinks fit, special committees.*
- (2) A special committee consists of such persons appointed by the council as the council thinks appropriate.*
- (3) The council is to determine the procedures relating to meetings of a special committee.*

Historically, post each election, Councillors consider the need and past efforts/use of the Special Committees in place and collectively decide what Special Committees are required. Councillors are then nominated and subsequently selected for inclusion onto these committees. The standard practice has been that a Councillor becomes the Chairperson of the Committee for the term of Council and is often assisted by other Councillors who desire to be on the specific committee. All but one of the current Special Committees have a Councillor as the Chairperson.

Over the past few years the scope of how Special Committees are established and operate has evolved such that an elected member is not required on some Special Committees that are operational in nature but rather a form of committee structure exists that allows community members to operate within the providence of local government. The Furneaux Islands Festival Committee is one such example, having evolved from a group of individuals.

The task of managing attendance, developing agendas, taking minutes and then presenting/discussing the recommendations of these committees to Council is the role of Councillors. Staff are more than willing to assist in ensuring the right processes, templates and procedures are followed and often attend meetings in an ex-officio capacity, however that is the limit of their involvement (unless specifically requested to be otherwise and approved by Council). It should also be noted that committees make recommendations to Council for consideration. They in themselves have no direct ability to make decisions that bind Council to any one course of action unless that power to do so has been delegated by the Council.

A Special Committee of Council should at the very least have the following:

- A willing and committed Chair who understands the role the committee has in relation to the community's interests but also the strategies and plans Council already has in place;
- A Chair that can follow the procedures in place for reporting and taking recommendations to Council for consideration;
- Clear and agreed terms of reference for each committee; and
- A transparent approach to the selection of individuals to sit on the committee, their terms of appointment and the manner in which the decisions of the committee inform Council's own decision making and reporting processes.

The previous Council had the following Special Committees functioning at the time of the election. For brevity I have only listed the Councillors involved in the committee structure and made some general comments on the effectiveness and importance of each.

<b>Special Committee</b>	<b>Comments</b>	<b>Previous Representative</b>
Furneaux Community Health Special Committee	Provides an important avenue for community input into health generally.	Cr G Willis (Chair) Mayor C Cox

<b>Special Committee</b>	<b>Comments</b>	<b>Previous Representative</b>
Furneaux (Emita) Hall & Recreation Ground Special Committee	A very active group who have been able to stimulate use of this facility.	Deputy Mayor M Cobham (Chair)
Furneaux Group Aviation Special Committee	In theory provides an important avenue for general aviation issues to be discussed. However, most of the focus of discussions seems to be in relation to the operation of the Airport which is a Council responsibility as a business unit and which is quite rightly handled separately by Council. Some of the representatives also have a commercial business to run and as such there can often be limited open dialogue. A review of the function and emphasis would seem appropriate.	Mayor C Cox (Chair) Cr P Rhodes Cr K Stockton
Furneaux Group Shipping Special Committee	This Committee has special importance to the Island and unlike many other Council Committees the actual services are not Council's responsibility. It operates well. The only disappointment is that Furneaux Freight has chosen to no longer provide a representative at the meetings.	Mayor C Cox (Chair) Deputy Mayor M Cobham Cr P Rhodes
Furneaux Islands Festival Special Committee	Only recently established following a thorough review. It replaced an informal working group that had worked successfully to establish the Furneaux Islands Festival which has now become a highly successful and important fabric of the Community.	No councillor representation required
Lady Barron Hall & Recreational Special Committee	A very active group who have been able to secure a multitude of grants to assist in the development of this facility.	Cr D Williams (Chair)
Whitemark Beautification Special Committee	Inactive. Potentially to be re-established as and when required although perhaps with a wider township enhancement focus. Opportune once Council has received the Whitemark Coastal Inundation and Flood Study Report and Structure Plan from Dock 4 which hves been delayed pending completion of the previous mentioned reports.	
Whitemark Community Gym Special Committee	Established in part based on a similar arrangement at Lady Barron who had a gym type sub-committee. Provides a good linkage between the health component of what the gym is used for and its normal fitness function.	Deputy Mayor M Cobham (Chair)

### *Council Committees*

The *Local Government Act 1993* section 23 states the following:

*"23. Council committees*

*(1) A council may establish, on such terms as it thinks fit, council committees to*

- assist it in carrying out its functions under this or any other Act.*
- (2) *A council committee consists of councillors appointed by the council and any councillor who fills a vacancy for a meeting at the request of the council committee.*
- (3) *A meeting of a council committee is to be conducted in accordance with prescribed procedures.”*

The previous Council had the following Council Committees functioning at the time of the election:

<b>Council Committee</b>	<b>Comments</b>	<b>Previous Representative</b>
General Manager's Performance Review Committee	This is a matter for Councillors.	Mayor Carol Cox Cr Ken Stockton Cr Gerald Willis (Chair)
Ideas and Innovations Committee	The Ideas and Innovations Committee only met twice in 4 years with no output. Ideas and innovations are generated operationally on a regular basis and are not restricted to Council operations. There are far more inclusive ways if partnerships with the Community are generated.	Cr G Willis (Chair) Cr C Rhodes Cr P Rhodes Cr K Stockton

#### *Legislative Committees*

The following Committee is required under legislation and has council representation:

<b>Legislative Committee</b>	<b>Comments</b>	<b>Previous Representative</b>
Municipal Emergency Management Committee	Operates under the state Emergency Management Act 2006. Represents the Municipality in emergency and disaster planning and recovery. Supports the sustainability and improvement of the local SES volunteer service.	Mayor Carol Cox

#### *Council Representatives on other bodies*

Council also has appointed representatives on the following external committees and organisations:

Flinders Island District High School Association	An important and traditional role.	Cr P Rhodes
Clean up Australia	Events on the day have traditionally been organised by Councillors. For Council to decide.	Cr P Rhodes Cr K Stockton
TasWater – Shareholder's representative	It is essential that a committed person be appointed as Council's shareholder ownership of TasWater is extremely important. There is a significant amount of off-island travel and plenty of Board responsibilities. In recognition of this the General Manager has been appointed as interim representative. The previous Council representative was highly respected.	Cr G Willis (interim representative Bill Boehm, General Manager)
Northern Tasmania Development Corporation – Local Government Committee	It is essential that a committed person be appointed. There is some amount of off-island travel but minimal Board responsibility. The General Manager often deputizes and where possible also attends.	Mayor C Cox
Local Government Association of Tasmania	An essential role for the Mayor.	Mayor C Cox
Office of the Tasmanian Economic Regulator's Customer Consultative Committee	Meetings can be arranged via phone.	Cr P Rhodes

External Body	Comments	Previous Representative
Natural Resource Management (NRM) North Association Group A Representation	Several years ago, Council operated a partnership with the NRM North Association. At the time Council was represented on this Association, as was the then Furneaux NRM Steering Committee through Council's NRM Officer. The Steering Committee has since become defunct and the program of delivery of NRM services has significantly altered. It seems that both the Council and Steering Committee representatives are still on the NRM North Association Group A data base. Through a \$20 renewal fee Council is still a member of this Association. There is one only AGM meeting to attend.	Deputy Mayor Cr Mark Cobham

It is important to also define the roles and expectations for each appointment.

*General Comment*

There is an important opportunity for Council to review a raft of community liaison and operating arrangements but naturally this should be undertaken when all elected members have had an opportunity to determine their strategic approach. It is also important that elected members spread the workload around.

**Statutory Requirement:**

*Local Government Act 1993*

**Policy/Strategic Implications:**

4. Strategic, Efficient and Effective Organisation

4.1 Remain actively engaged with internal and external stakeholders providing regional leadership.

**Budget and Financial Implications:**

The Committees do incur staff time and effort and as such expose Council to costs.

**Risk/Liability:**

Councillors' connections with the Community they serve are critical to Council's reputation and to avoid risk.

**Voting Requirements:**

Simple Majority

**Officer's Recommendation:**

*Special Committees*

1. That as per s24 of the *Local Government Act 1993* (Special Committees), Council maintains (with the existing community-based membership and terms of reference) the following Special Committees of Council:

- (a) Furneaux Group Shipping Special Committee;
- (b) Furneaux Community Health Special Committee;

- (c) Furneaux (Emita) Hall & Recreation Ground Special Committee;
  - (d) Lady Barron Hall & Recreational Special Committee;
  - (e) Furneaux Islands Festival Special Committee; and
  - (f) Whitemark Community Gym Special Committee.
2. That as per s24 of the *Local Government Act 1993* (Special Committees) Council:
    - (a) maintains the Furneaux Group Aviation Special Committee with terms of reference to be reviewed by Council; and
    - (b) explores opportunities to reform the Whitemark Beautification Special Committee with a wider township enhancement focus with revised name and terms of reference.
  3. That nominations be called from around the Council table to fill positions on these Special Committees, except the Furneaux Islands Festival Special Committee. Once nominations are received, ballots be held (if required) to elect representatives and a Chair for each Committee.

#### *Council Committees*

4. That as per s23 of Local Government Act 1993 (Council Committees) Council:
  - (a) maintains the General Manager's Performance Review Committee and appoints the Mayor to Chair this Committee; and
  - (b) disbands the Ideas and Innovations Committee noting that ideas and innovations are generated operationally on a regular basis, are not restricted to Council operations and that there are inclusive ways for such elements to be generated with the Community.

### **ITEM C3: OFFICE CLOSURE – CHRISTMAS SEASON 2018 - 2019**

**Action:** Information  
**Proponent:** Council Officer  
**Officer:** Bill Boehm, General Manager  
**File Reference:** COU/0600  
**Associated Papers:** Nil

#### **Introduction:**

The festive season associated with Christmas and the New Year's celebrations is soon to commence. In the past, Council has closed its offices over the period between Christmas and the New Year as only limited (if any) transactions occur. Staff are available if any emergency situations arise. This is a common practice for Tasmanian Councils.

This report provides a specific update for the 2018 - 2019 Christmas to New Year Period.

#### **Previous Council Consideration:**

Annually

#### **Officer's Report:**

Public holidays are scheduled on Tuesday 25 December (Christmas Day), Wednesday 26 December 2018 (Boxing Day) and Tuesday 1 January 2019 (New Year's Day).

Council will close its offices for the Christmas and the New Year season from close of business 21 December 2018 to 1 January 2019 inclusive, reopening the office on 2 January 2019. Staff members have expressed a desire to close the Monday before Christmas to allow for arrangements to be made prior to the holiday season. Arrangements are in place to ensure that appropriate leave and/or accrued rostered days off are taken for Monday 24 December 2018.

The 2016-2019 Enterprise Bargaining Agreement provides the three work days between the Christmas and New Year public holidays as paid grace days to all ongoing and fixed-term employees that would normally attend on those days. Employees who may be required to attend to duties in this period will have an additional rostered day off or annual leave day added to their balance for each day worked.

Council Staff will, as always, ensure that sufficient visitor information material is available at selected business houses during this period.

#### **Voting Requirements:**

Simple Majority

#### **Officer's Recommendation:**

That Council notes that the Council Offices will be closed from close of business 21 December 2018 and will reopen on the 2<sup>nd</sup> January 2019.

#### **Decision:**

**323.11.2018 Moved:** Deputy Mayor D Williams      **Seconded:** Cr A Burke

That Council notes that the Council Offices will be closed from close of business 21 December 2018 and will reopen on the 2 January 2019.

**CARRIED UNANIMOUSLY (7-0)**

**For:** Mayor Annie Revie, Deputy Mayor David Williams, Cr Sharon Blyth, Cr Aaron Burke, Cr Vanessa Grace, Cr Peter Rhodes and Cr Rachel Summers.

**ITEM C4: QUARTERLY REPORT ON THE NORTHERN TASMANIA DEVELOPMENT CORPORATION LTD.**

<b>Action:</b>	<b>Information</b>
<b>Proponent:</b>	Council Officer
<b>Officer:</b>	Bill Boehm, General Manager
<b>File Reference:</b>	COU/0305
<b>Associated Papers:</b>	<i>Annexure 7: Northern Tasmania Development Corporation's Quarterly Report September 2018</i>

**Introduction:**

As permitted under Section 21 (c), Enterprise Powers of the *Local Government Act 1993*, Flinders Council became a member of the Northern Tasmania Development Corporation (NTDC) on 1 January 2017. The *Local Government Act 1993* also requires the General Manager to provide a quarterly report to Council on the activities of the NTDC and any adverse developments that may affect the entity's financial viability.

Annexure 7, NTDC LTD Quarterly Progress Report to Council Members – September 2018, was received on 24 October 2018.

**Previous Council Consideration:**

Formal quarterly progress reports are provided to all member Councils NDTC and are considered by Council.

**Officer's Report:**

As permitted under Section 21 (1c), Enterprise Powers of the *Local Government Act 1993*, Council became a member of NTDC as from 1 January 2017. The NTDC was officially formed in March 2017 with the following primary objectives:

- a) provide pro-active, engaged and strategic regional economic leadership;
- b) consolidate an agreed vision for the development, sustainability and prosperity of the geographic region that the Organisation's Members encompass;
- c) implement a strategic economic action plan based on the Northern Regional Futures Plan framework or similar; and
- d) to provide effective representation and advocacy to State and Federal Government and other stakeholders.

Section 21 (5) of the *Local Government Act 1993* states the following:

*"The general manager is to report to the council –*

- a) at least once every 3 months in respect of the performance of any activities carried out pursuant to (section 21 (1)) and any strategic issues related to those activities; and*
- b) any adverse developments that significantly affect or are likely to significantly affect the financial viability, the operating viability or any other aspect of any of those activities.*

The NTDC continues to make progress on a variety of fronts with the Executive Officer and Chair being accessible for advice and support. Discussions with Councils in the region continue to indicate positive rapport. Council being a part of this new structure is a positive initiative.

**Statutory Requirement:**

*Local Government Act 1993*

**Policy/Strategic Implications:**

4. Strategic, Efficient and Effective Organisation

4.1 Remain actively engaged with internal and external stakeholders providing regional leadership.

4.1.1 The Furneaux Islands' unique circumstances, isolated community and specific financial needs are understood by key external stakeholders.

4.1.1.3 Maintain membership and actively engage with Northern Tasmania Development Corporation (NTDC), Local Government Association of Tasmania (LGAT) and Tourism Northern Tasmania (TNT).

**Risk/Liability:**

Nil

**Voting Requirements:**

Simple Majority

**Officer's Recommendation:**

That Council notes the General Manager's quarterly report on the activities of the Northern Tasmania Development Corporation and the September 2018 report provided to all member Councils.

**Decision:**

**324.11.2018 Moved:** Cr P Rhodes **Seconded:** Cr D Williams

That Council notes the General Manager's quarterly report on the activities of the Northern Tasmania Development Corporation and the September 2018 report provided to all member Councils.
