

2019 Community Grant / Assistance Request

GUIDELINES

- a) The project must have a clearly stated purpose and a practical plan for achieving this purpose.
- b) The project should be a response to a clearly demonstrated need and must be appropriate to that need.
- c) The project may complement but not duplicate other locally available services.
- d) Projects should be accessible to all individuals living in the Council district.
- e) Where applicable written quotes should accompany an application if funds are sought for the purchase of equipment.

It is expected that some efforts will have been made towards fundraising activities to offset the costs of the proposal and that organizations will provide a copy of their current financial statements, relevant plans, and constitution.

Please Note: Financial assistance will not be provided for:

- a) Money already spent
- b) Salaries or recurrent operational costs

Assistance may be made on an annual basis, upon application and may not be ongoing.

Late applications or requests for assistance at other times of the year may not be considered.

Applications close on **Friday 29 April 2019** and should be sent to:
